EXPERIENCE

CBKSoft Inc.

June 2022 – July 2022

Software Development Intern

Ankara, Türkiye

- Gained experience in developing basic web applications using ASP.NET Core.
- Performed simple SQL queries and database operations on Microsoft SQL Server.
- Improved my understanding of the C# programming language.
- Acquired hands-on experience with C#, ASP.NET Core, and SQL during the internship.

ATEL Teknoloji ve Savunma Sanayi A.Ş.

August 2023 – September 2023

(ATEL Technology and Defense Industries Inc.)

Ankara, Türkiye

Software Development Intern

- Developed two web-based applications using ASP.NET MVC.
- One application was designed for managing the company's inventory system, and the other for digitizing document registration processes within another internal department.
- Deepen my knowledge of the C# programming language and Microsoft SQL Server.
- Actively participated in requirement analysis, database design, and implementation phases during the development process.
